PENNY MALLORY: Talks

Creating Confidence

Confidence is not a thing you can hold in your hand. It is not something you can photograph or get out of your pocket to show someone. You can't get any from ebay or Amazon. It's certainly not something you can give someone either.

Confidence is a concept, an idea, a feeling, a state of mind. It could be described as the 'level of faith you have in your ability to succeed' a quiet inner knowledge that you are capable; feeling secure rather than insecure.

Penny Mallory delivers an interactive, challenging and transformational insight into how you can improve your confidence, today.
